«Jeg opplever å ha fått innblikk i hvordan å formidle forskning og det var svært nyttig å øve foran kamera på en praktisk intervju situasjon. Det var fint tilrettelagt med gjennomgang i plenum og med positive kursholdere som gjorde meg (oss) trygg(e) i situasjonen til tross for det potensielt sårbare i å "være synlig" foran andre kursdeltakere. Jeg har også lært mer om hvordan skrive kronikk. I tillegg var det nyttig å få innsikt i hvordan å forberede seg til radio/TV-intervju. Det var fin balanse mellom teori og praktiske øvelser.»
