PsykSTIP

Who are we?

The PhD committee at the Faculty of Psychology, founded in 2012. We represent **all PhD candidates** at the faculty – their academic and social interests.

Your voice at the faculty

We bring PhD candidates' issues to the faculty and follow them up.

Seats at the table

We nominate PhD candidates to councils and committees.

A PhD community

PhD candidates from every department meet and support each other.

PsykSTIP Day

Our annual gathering for all PhD candidates – today!

Thank you!

To the outgoing PsykSTIP board
